Health Screenings that Are Provided at School Each Year

Hearing Screening: Will be scheduled annually during the school year for all students in preschool, kindergarten, 1st, 2nd, and 6th grades, special education, and all students who are new to the district. Parents will be notified by Audiology if their student does not pass the hearing screening.

Vision Screening: Will be scheduled annually during the school year for all students in kindergarten, 1st, 3rd, and 5th grades, special education, and all students who are new to the district. Parents will be notified by the Bush Health Office if their student does not pass the vision screening. There is assistance available for families that do not have health insurance.

Blood Pressure Screening: Will be done on all 5th graders during the school year. The Bush Health Office will notify parents if their student's blood pressure is out of the normal range for their age.

Please notify the health office if you do not want your child to participate in the screenings.
