Completed applications must be submitted to the Community Education Department by **Thursday, January 31, 2008**. Teachers who are selected are expected to teach for the duration of the summer school program. No absences are available for conferences, in-services, professional workshops, or other personal commitments. Applicants who fail to complete this application accurately and honestly will not be considered for summer school employment.

All teaching assignments are contingent upon adequate enrollment to justify the class.

All applications will be reviewed by the Community Education Committee. Selection and assignment of summer school teachers will be made by the end of February, 2008. The following priority list will be used by the selection committee when selecting teachers for summer school employment:

1. A current teacher of Mesa Public Schools.
2. Properly certified for desired level and area(s) of specialization.

If not selected, would you consider being a summer school substitute teacher? _____ Yes _____ No
