

# Mesa Public Schools Volunteer of the Month

January 2009

*Kyle Tilghman*

Las Sendas Elementary School

Kyle has volunteered in the Media Resource Center every Friday morning for six years — ever since his fifth-grade son, Marcus, started kindergarten. We are so fortunate that Kyle's work schedule at Salt River Project accommodates his time with us.

Kyle always has a friendly attitude and a smile on his face. He is ready to lend a helping hand at a moment's notice. He reorganizes sections when they become overcrowded. He shelves books in a flash. He displays recommended reading on the tables. He pulls lists of books for special classroom projects.

In addition to working with books, Kyle has a gift for working with children. He helps them find and check out just the right book on their topic of interest. When individual students are off task or need a calming influence, Kyle shows them a book they might like or listens to them read.

Kyle, the Governing Board joins the Las Sendas team in thanking you for your years of dedicated service and assistance in the Media Resource Center.

It is a pleasure to honor you as the Mesa Public Schools Volunteer of the Month.
