

Our vision...

Unprecedented Excellence in School Food and Nutrition Services.

Our mission...

To support the educational process by providing nutritious, affordable meals to students.

Our core values...

In Food and Nutrition we:

-  are dedicated to students.
-  are committed to quality service and customer satisfaction.
-  believe in good communication and team work.
-  provide employees with opportunities for personal and professional growth.
-  are fiscally responsible.
-  pledge that all people who touch our organization will be treated with dignity, friendliness, honesty and respect.
