Dear Parents and Guardians,

For many of our families, we know that life has taken many twists and turns since early March. We honor you for supporting your children as they learn from home. Our teachers and office staff have done an incredible job maintaining your children's education as the priority.

We are so looking forward to returning to school in August. While we can't make the promise that will happen, we want you to know that is certainly the plan we are making at this time. If there are any substantial changes in this information over the summer, the district will communicate with you.

Parents and guardians, thank you again for partnering with your children's teachers after we returned from Spring Break. We hope your family has a safe summer full of wonderful memories.

**Stay Safe. Stay Healthy. Stay Connected.**

Estimados padres y guardianes,

Para muchas de nuestras familias, sabemos que la vida ha dado muchos giros desde principios de marzo. Los honramos por apoyar a sus hijos mientras aprenden en casa. Nuestros maestros y personal de la oficina han hecho un trabajo increíble manteniendo la educación de sus hijos como prioridad.

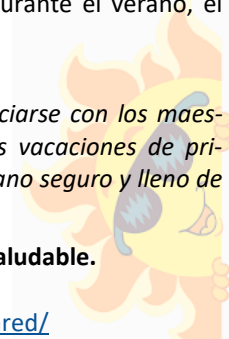

Estamos deseando volver a la escuela en agosto. Aunque no podemos hacer la promesa que sucederá, queremos que sepa que es sin duda el plan que estamos haciendo en este momento. Si hay algún cambio sustancial en esta información durante el verano, el distrito se comunicará con usted..

*Padres y guardianes, gracias de nuevo por asociarse con los maestros de sus hijos desde que regresamos de las vacaciones de primavera. Esperamos que su familia tenga un verano seguro y lleno de recuerdos maravillosos.*

**Manténgase Seguro. Manténgase Saludable.**

**Manténgase Conectado.**

**Re-registration** will be through the parent portal in July. Please make sure you have set-up your account.

**Meet the Teacher** is scheduled for Monday, August 3rd from 4:30 p.m. to 6:00 p.m. Come in, meet the teacher, stay a few minutes and help your student feel more prepared on the first day of school.

**First Day of School is August 4th**

**Curriculum Night** will be August 27 from 4:30—6:00 p.m. There are three ½ hour grade level sessions (you only need to attend one session for the grade level.) These sessions are for the parent to understand the expectations for the students at that grade level and to give the parent information on the curriculum your student will be studying during the school year.
