

Mountain View High School Senior Pictures

CLASS OF 2021

The first step of your senior journey is to have your portrait taken for the yearbook. The yearbook's deadline for senior pictures is September 1, 2020. In order to meet this deadline, we have partnered with Lou Coopey Photography in Mesa, AZ to take your yearbook photos. There are two options so please read through this email completely, and if you have question please email me at lnwrather@mpsaz.org.

Option One

Schedule an appointment to have your photo taken at the Mesa studio with Lou Coopey before **October 31st**

To do so, go to www.loucoopey.com and click on the large red banner across the top to book your appointment.

- To ensure the safety of all seniors we have put in place new COVID protocols for the photo session. Social distancing, masks, and hand sanitizing will be required of all customers and staff. All procedures will be as contact-free as possible. Dressing rooms, rest rooms and seating areas will be closed to the public. Only seniors, six at a time, with appointments will be permitted to enter the studio. No one else may accompany them
- All studio services beyond the sitting; scheduling, ordering and paying fees will be conducted online.
- A \$40 deposit will be collected at the time of scheduling. This, along with a \$10 complimentary credit will be applied to each account, giving each senior a \$50 credit toward the purchase of portraits and services. After 30 days, the \$10 complimentary credit will expire. The \$40 remains on account and can be used for any senior portrait purchase.
- Senior sessions will include 9-14 poses on a variety of backgrounds. The studio will not provide the usual loaner jackets, ties, shirts and drapes. Seniors will be required to come wearing the school-prescribed dress for senior portraits.
- All post-sitting contact will be done online, including choosing the yearbook pose, ordering and any payment. Each senior will receive an online access code to their images and \$50 credit. Cap & gown photos for graduation included. They are sanitized on site in commercial dryers between appointments per CDC's sanitation requirements

Option Two

Currently Unavailable due to Covid-19. We will announce any opportunities for Option Two once we receive a plan from the district.

We hoped to offer an opportunity for seniors who were unable to make an appointment at the studio to take a senior yearbook photo on campus during during school picture days. However, at this point, given the school shutdown, this option is not presently available.

Should it become available in the future, be aware that this free option would not include the option for multiple poses, additional services, or for cap & gown photos.

- ~~coupon~~ Students must still be dressed professionally when they arrive at school that day. This includes a collared shirt with tie and dress shirts suit coats, dresses, blouses, or other more formal dress.
- If you miss the on campus opportunity and want your photo in the yearbook, we refer you back to Option 1.

We will update families once we have more information.
