

By school board policy, all high schools in Mesa Public Schools have a closed lunch. Mountain View High School follows and complies with the following district directives...

- Credit eligible Seniors who are scheduled to graduate in the spring of 2020 will be the only students allowed to leave campus at lunch. Credit eligible Seniors (at least 16 credits) must show appropriate school I.D. to security in order to leave campus at lunch. No juniors, sophomores, or freshmen will be allowed to drive or walk off campus.
- We will continue to accommodate parents in the south lot who want to pick up their student for lunch. **Please remember that you may only pick up your child and not their friends or neighbors.** Parents will need to come into the office to sign students out and escort them off campus.
