- Reviewed and Approved Minutes from August 12th, 2019 (1st Lezlee Tingey, 2nd Bill Thompson)
- Golf Cart Update, We have it and is currently in use. We originally wrote a check to the vendor and expected the school to give us the funds that were over our \$3,500 voted amount toward the cart. The district asked if we could give the \$3,500 to the school and the school would use their funds for the remaining cost. That way the cart is covered under district insurance. We will be placing an additional \$3,500 in the school's account, having the district Accounts Payable process the schools requisition right away to hand the vendor the new payment at the same time ask the vendor to refund us the amount given to them for the cart.
- CPA Update: Per CPA and IRS, during the processing time, sponsors can still claim the deduction as a donation to Booster or any Sub-Booster/Sub Account.
- Fall Program updates: Page 65 need Swim/Dive update as well as under Band picture for words to be added "Listed in Alphabetical order", since band does not provide us with the list in picture order. This will help eliminate any confusion that the program is incorrect.
