

Bob McCartney

Math Teacher, Crossroads Success School

Educator of the Month

April 2014

Bob knows the formula for success! After retiring from a successful career in business, Bob teaches for the love of teaching! He symbolizes high standards to everyone at Crossroads. His knowledge and skill are reflected in his Silver Apple Award from KTVK-TV 3.

As a team player, Bob is eager to tackle challenges and take on new responsibilities. His interactive bulletin boards make math fun for everyone. They are among many school projects and programs that Bob creates to individualize learning and make it personal!

Bob is admired and respected for his knowledge, morals, work ethic and organizational skills. Students and staff find Bob to be trustworthy, dependable, positive and fun! Above all, they're proud to be his students, his colleagues and his friends.

Thank you, Bob, for your dedicated service. We are pleased to honor you as a Mesa Public Schools Employee of the Month.
