

GET INVOLVED AT RHODES AND BE INVOLVED IN YOUR COMMUNITY

WHAT: SIAC – School Improvement Advisory Council of Rhodes Junior High School

This council serves as advisors to school administration/faculty/staff to assist in making policy decisions at Rhodes, with the purpose of providing the best possible quality educational experience for all Rhodes students. There are currently several parent positions open for one year, or generally two-year terms on the council. The elected council comprises seven parents and seven staff members, in addition to the Principal and Assistant Principal. There is a proposal this year to add two student members to the council.

WHEN: 5-6:30 p.m. second Tuesday of each month in the Media Center. All meetings are open to the public and all parents are welcome to attend and give input on issues that affect the Rhodes community, however, only elected SIAC members may vote.

HOW DO I GET INVOLVED?

To be included on the ballot for a parent position on the council, please submit your name and a brief statement about yourself and/or your interest in SIAC (75 words or less, please) to Mr. Matt Devlin, Principal, at mjdevlin@mpsaz.org or drop it off in the school office. All statements must be received by September (see website calendar or newsletter for exact dates).

Ballots will be included in the September Rhodes newsletter that will be mailed in mid-September. Please complete the ballot and return it to the SIAC mailbox in the school office by Oct (see website calendar or newsletter for exact dates).

If you would like more information, please contact Mr. Matt Devlin, Principal, at (480) 472-2310 or e-mail: mjdevlin@mpsaz.org.
