6.....First Day of Classes

**RHODES JUNIOR HIGH SCHOOL**  
1860 South Longmore • Mesa, Arizona 85202 • (480) 472-2300

Dear Rhodes Parents and Guardians,

Welcome home to Rhodes Junior High and the start of the 2018-19 school year! I am very proud to be the principal at Rhodes Junior High.

Many things are outstanding about our school. One, our faculty and staff are truly committed to creating a safe environment and ensuring your student receives the best education possible. Two, the community works in close conjunction with the school providing support and services for students and families. Three, opportunities abound for students and parents to be part of Rhodes outside of receiving an education. Clubs, sports, and Parent University are just a few things that both you and your student can investigate to round out the experience of attending Rhodes!

This year we introduce school-wide Rhodes to Success. Rhodes to Success (RtS) is a unique and innovative program designed to bring academic and personal achievement for all students involved. The central tenant will be Project/Problem Based Learning, and all content teachers will be working together beyond walls and bell schedules to give your student a learning experience that will challenge, engage, and encourage him/her to achieve at his/her highest potential.

Please reach out at anytime for assistance. We are here to collaborate with you in your child's education.

Join me in celebrating being a Rhodes Roadrunner!

Best to you all!

## 2<sup>ND</sup> SEMESTER SCHEDULE

HR	CLASS	TEACHER	PHONE/EMAIL

- Students are to exit campus immediately upon dismissal unless involved in an after school activity

# RHODES JUNIOR HIGH SCHOOL Information & Guidelines

## After-School & Evening Activities

A valid school ID is required for admission to after-school and evening activities. Students are expected to follow all school rules and regulations, including the dress code.

Students must attend school for one-half day (four hours) to participate in after-school and evening activities. Students who are on out-of-school suspension may not attend evening or after-school activities.

**Note to parents: Supervision is provided for 15 minutes after daily school dismissal and after all school activities (i.e. sports, club meetings, tutoring, performing arts, etc.). Due to safety concerns please pick up your student within this 15 minute time frame.**

## Attendance Procedures

According to Arizona's compulsory attendance law, students must be in school until they reach the age of 16 or successfully complete the 10<sup>th</sup> grade.

If a student is absent from school, parents/guardians should call the attendance clerk as early as possible that day. If it is known in advance that a student will be absent, a parent/guardian should contact the attendance clerk ahead of time.

### Attendance clerk: (480) 472-2323

If a telephone call is not possible, a note taken to the attendance office immediately upon the student's return to school will suffice.

For a student to be excused from school for medical or dental appointments, a note from a doctor is required. Students are expected to make up any missed work due to an absence.

If a student will be absent for 3 or more days, parent or guardian will need to request work from their child's teachers via email or phone call.

Parents are asked to prioritize their child's education and as much as possible, scheduling medical and dental appointments outside of school hours. Due to our flexible and changing lunch times, students should not be picked up during lunches between the hours of 11:34 a.m. to 1:14 p.m.

For additional attendance information, see the attendance page on the Rhodes Junior High School website.

It is district policy for students to stay on campus unless a school office staff member gives them permission to go. Students must not leave campus during the day unless a parent/guardian follows proper check-out procedures in the office and picks up the student.

Students are considered tardy if they are not in their scheduled classroom when the tardy bell rings. Repeated tardiness will result in disciplinary consequences. Anyone coming to school after 9:05 a.m. must check in at the office before going to class.

Students arriving late may be excused by:

1. Parent/guardian calling prior to student's arrival.

2. The student bringing a signed note from the parent/guardian.
3. Parent/guardian coming into the office to sign-in the student.

If a student is detained by a teacher, a pass to class is to be issued by the teacher who caused the late arrival. The office cannot issue passes for tardiness from one class to another.

## Tardy Policy

A student who is tardy three or more times in one week will receive disciplinary interventions. The tardy policy is progressive and provides students opportunities to change their behavior. Possible interventions for violating the tardy policy, resulting in three or more tardies in one week are as follows:

- |                             |  |
|-----------------------------|--|
| 1 <sup>st</sup> Infraction: | 1 day of Community Service   |
| 2 <sup>nd</sup> Infraction: | 3 days of Community Service  |
| 3 <sup>rd</sup> Infraction: | 3 days of lunch detention  |
| 4 <sup>th</sup> Infraction: | Tardy Contract/Parent Notification   |
| 5 <sup>th</sup> Infraction: | Alternative Learning Classroom for In School Suspension for any future infractions |

A student that changes their tardy behavior will be taken off the tardy contract following improvement, however, may be placed back on it at the discretion of the administration if the behavior returns.

## Balloon Bouquets and Flowers

Birthday, congratulatory, and other bouquets are not to be carried by students during the school day. Additionally, these items will not be delivered to students during the school day.

Parents are requested to refrain from bringing or sending these items to school. Bouquets will be kept in the office for student pick up at 3:50 p.m.

## Bicycles, Skateboards, Rollerblades, and Scooters

As a convenience, a locked compound is provided during school hours to help protect bicycles. However, students bring bicycles at their own risk.

Students who leave bicycles unlocked or in the compound before or after school take the chance of having them vandalized or stolen.

Bicycles are not insured by the school, and the compound is not monitored during the school day.

Students should provide a padlock and always lock their bicycle in the bicycle-rack area.

Bicycles must always be walked across campus. Failure to follow this guideline may result in losing the privilege of bringing a bicycle to school. Be safe and use all the safety rules learned in school.

Skateboards, rollerblades, and scooters may not be on any Mesa Public Schools campus before, during, or after the school day.

## **Books and School Property**

Students are responsible for furnished textbooks and library books. If books issued to a student are lost or damaged, the student will be expected to pay for the replacement of those books. Even if a book is stolen, students are responsible for it.

Under Arizona law, parents are liable for damage done to school property by their children. A pupil who cuts, defaces, or otherwise damages any school property may be suspended from school. That student's parents will be charged for such damage.

## **Bookstore/Lost and Found**

The bookstore is located in the hall by the media center. It is stocked with a variety of supplies. Bookstore hours are posted.

The bookstore cannot cash student checks. Any check received for payment should be written to Rhodes Junior High School and should include a student ID number.

Clothing and other articles found at school will be placed in the bookstore. We encourage students to label their clothing, musical instruments, and other personal items.

Student should check frequently when something is missing. All unclaimed items are donated to charity periodically throughout the year.

## **Buses**

Mesa Public Schools provides bus service for junior high students living more than one and one-half miles from school. The district rules for bus behavior are found in the Information and Guidelines portion of this hand. Students must carry their ID cards with them each day and may be required to show them when boarding the bus.

Bus drivers are encouraged to assign seats to assure order on the bus. If directed, students must sit in assigned seats.

To provide greater supervision and security, video cameras sometimes may be placed on buses to monitor student behavior.

Questions and concerns regarding transportation should be directed to the MPS Transportation Department, (480) 472-6100. Remember, riding the bus is a privilege!

## **Clubs**

Clubs will be an integral part of our community at Rhodes. Students will participate in clubs on Wednesday's during the school day. Students will join a minimum of one club, with the potential to join up to two clubs.

## **Counseling Department**

The counseling department is located in the main building near the main office. Students are assigned to counselors by grade level. Our counseling department works with students in classrooms, in groups, and individually.

Students are encouraged to seek help from their counselors in academic and personal matters as appropriate. To meet with a counselor, students must fill out a request form with the counseling secretary. Counselors then see students by appointment.

## **Dances**

Dances are designed to be a fun, social activity at school. Should students decide to purchase special clothing for any dance, please remember that our dress standards do apply to all dances.

School dances are from 4:00 to 6:00 p.m. Current picture ID cards are required at the door. Students will not be admitted without a current Rhodes picture ID. Replacement IDs are available in the bookstore for \$4. Students will not be allowed to loiter on campus during or after the dance.

Students may not leave the dance early unless signed out by a parent. We do not encourage any student to patronize any local business after dances without a chaperone. Supervision following dances is provided for 15 minutes only. Students should be picked up promptly at 6 p.m. by their parents.

## **Detention/Community Service**

Teachers and administration may assign detention or community service for inappropriate behaviors, such as tardiness and minor classroom disruptions. Parents will be notified if detention or community service is assigned to a student.

## **Dress Code:**

The dress code at Rhodes Junior High School will follow the district dress code as outlined in the student handbook. Teachers will review dress code expectations with students.

- Students and parents should familiarize themselves with the Mesa Public Schools Dress and Grooming Standards on page 3 of this handbook.
- Students will sign a form stating they understand the dress code and consequences for failing to meet those expectations.

Consequences for Dress Code over the course of the entire school year are the following:

- 1<sup>st</sup> Violation: Student changes into dress code clothing and receives a warning.
- 2<sup>nd</sup> Violation: Student changes into dress code clothing and contacts parents/guardian.
- 3<sup>rd</sup> Violation: Student changes into dress code clothing and signs a Rhodes Behavior Contract.
- 4<sup>th</sup> Violation: Student changes into dress code clothing and is assigned additional consequences.

Note: These consequences DO NOT reset at the beginning of each quarter.

## **Electronic Devices/Technology**

Students may bring personal electronic devices, such as cellphones, smartphones, headphones, tablets and laptops to school. However, these devices are to be used for teacher approved educational purposes only.

When electronic devices are used inappropriately, they will be confiscated and kept with the Team Leader's secretary for pickup in the office. In addition, students who have excessive violations of this policy may have to sign a contract that requires these devices to be left at home. Neither Rhodes Junior High School nor Mesa Public Schools bear responsibility for cell phones or electronics that may become lost or stolen.

Consequences for Electronic Device/Technology violations over the course of the entire school year are the following:

- 1<sup>st</sup> Violation: Device is confiscated and turned into the Team Leader's secretary. The student may pick-up the device at the end of the school day. An official warning is given to the student.
- 2<sup>nd</sup> Violation: Device is confiscated and turned into the Team Leader's secretary. A parent/guardian must pick-up the device in the office. It will not be released to the student. It is the student's responsibility to notify parents/guardians about the 2<sup>nd</sup> incident.
- 3<sup>rd</sup> Violation: Device is confiscated and turned into the Team Leader's secretary. A parent/guardian must pick-up the device in the office. It will not be released to the student. The student also signs a Rhodes Behavior Contract that may prohibit the student from bring the device to school. Parents/guardians are notified.
- 4<sup>th</sup> Violation: Device is confiscated and turned into the Team Leader's secretary. A parent/guardian must pick-up the device in the office. It will not be released to the student. Student is assigned additional consequences.

Note: These consequences DO NOT reset at the beginning of each quarter. In addition, if a student refuses to hand over a device to a staff member, the student may be suspended.

## **Evacuation Drills**

The structure of our building presents few fire hazards. Preparedness for an emergency, however, is an excellent precaution. Students should leave classrooms quickly and in an orderly fashion. Students should also follow the directions of teachers and other adults.

Pulling a fire alarm when an emergency does not exist is against the law. Students involved will be suspended from school pending a meeting with the Mesa Fire Marshal.

## **Fighting**

Fighting is never an acceptable method to solve any conflict.

The mutual participation in physical violence or a one sided physical attack on another individual is considered unacceptable behavior at Rhodes Junior High School. This does include threatening another individual or encouraging other individuals to engage in physical violence toward one another or specifically targeted person(s). Students that engage in these activities will receive immediate consequences. For the 1<sup>st</sup> fighting incident, a student will be suspended for up to five days. A 2<sup>nd</sup> fight may result in a referral to the MPS Hearing Officer for alternate school placement.

Students are encouraged to seek out alternatives to fighting. The staff, counselors, and administration at Rhodes Junior High School are committed to student safety and learning. We are ALWAYS available to help students.

## **Gang Activity or Association**

The type of dress, apparel, activities, behavior or manner of grooming displayed, reflected or enacted by students on school property or at any school activity shall not:

- Lead school officials to reasonably believe that such behavior, apparel, activities, acts or other attributes are gang-related and would disrupt or interfere with the school environment, activity and/or educational objectives.
- Present a physical safety hazard to the student, other students, staff members or any other person.
- Create an atmosphere in which the well-being of a student, staff member or any other person is hindered by undue pressure, behavior, intimidation, overt gesture or threat of violence.
- Imply gang membership or affiliation by written communication, mark, drawing, painting, design, gesture or emblem on school property, on personal property, on clothing or on one's person.

If a student's behavior or other attribute is in violation of these provisions, the principal or designee will ask the student to make the appropriate correction, and the parent or guardian will be notified. In addition, gang related behavior may result in disciplinary action, which may include expulsion.

## **Grades/Parent Portal**

Each teacher/department at Rhodes Junior High School has a specific grading policy (i.e. late assignments, make-up tests, etc.). If parents or guardians have a concern about their student's grade, please contact the teacher directly. If the concern is not resolved after teacher contact, please inform a counselor. A meeting will be set up with the teacher to resolve the conflict. A meeting will only be held after a parent or guardian has spoken with the teacher.

Student grades can be monitored by parent/guardian on the parent portal. Parents must visit the front office and bring their id to sign up or for more information, please visit <http://www.mpsaz.org/mymps>

## Hall Passes

During the time that classes are in session, no student should be out of a classroom without a pass issued by a staff member.

## Homework Requests/ Homework Policy

The MPS District Governing Board and the Rhodes Junior High School staff recognize the value of homework when it is planned for such purposes as:

- Completing regular classroom assignments.
- Reinforcing the mastery of basic skills through meaningful practice after appropriate instruction.
- Providing opportunity for individual academic extension.
- Making up work missed during excused absences.
- Learning to work independently and developing self-discipline.
- Accepting responsibility for completing assignments.
- Developing better study skills by organizing personal time.
- Encouraging, enriching, and enhancing learning experiences.

Most homework falls into one of the above categories.

Homework is not used as a penalty or as an introduction to new concepts or material. The content of each assignment is carefully taught and fully explained in advance. Teachers review homework with students and grant appropriate credit toward academic grades.

- Parents can help by checking their children's assignment calendars regularly.
- Students are expected to request makeup work from teachers when returning from an absence.
- If a student is suspended from school, class makeup and homework are provided upon request from a parent during the suspension or by the student upon returning to school.

Teachers have the discretion to set reasonable limits and policies regarding makeup work allowed and deadlines for it.

## Honor Roll

To be eligible for the honor roll, students must maintain a 3.5 average for the previous grading period. A failing grade in any class brings automatic disqualification.

## Insurance

The Mesa Public Schools does not carry insurance for students' medical or dental costs if they are injured during school activities. Parents are responsible for their children's insurance.

An optional school-day or 24-hour accident policy is available at school through a private agency. Like most insurance policies, there are some coverage limitations and exclusions.

Information on the policy goes home with each student in the fall. The school collects premiums and issues forms as a service to students and parents. The district and the schools have no other connection with the insurance company.

Parents may pick up additional forms and purchase insurance at any time throughout the school year. In an emergency, the school may call paramedics who may decide that an ambulance should be called. These services are paid for by parents.

## Lunch

All Mesa junior high school campuses are closed, which means students are not permitted to leave campus without being signed out in the office by a parent/guardian. Thus, students will eat lunch at school. The cafeteria will accept checks to pay for lunch purchases. Checks should be made payable to Rhodes Junior High School, or parents can pay online at [www.mylunchmoney.com](http://www.mylunchmoney.com). A student ID number on the check is required.

Full cafeteria and snack bar services are available during the lunch period. In order for our lunch-time environment to be acceptable, everyone must assume responsibility for its cleanliness and upkeep. Students should assume responsibility for one another's behavior and help in maintaining a clean cafeteria.

Abide by the following rules:

1. Be patient in line! No crowding or cutting in line.
2. Do not bring energy drinks to school for lunch or any other time.
3. Keep our areas litter free!
4. Keep food to yourself. Never throw food.
5. Remain in the designated area. Never leave without permission.
6. Be cooperative and respectful to adult supervisors.
7. Never sit or mark on lunch tables. Leave them clean
8. Do not take food or drink out of the cafeteria dining area.

The consequences for violating any of the above rules will be the following:

1. When a student is identified as violating one of the above rules, he/she may be assigned community service.
2. In the event a student refuses to do the community service, he/she will be referred to the office for additional consequences.

Volunteer lunch workers must be recommended by the cafeteria staff and must maintain satisfactory performance in the class they leave early.

Cafeteria supervisors have the same authority as classroom teachers. Any defiance of the supervisor's requests will be defined as "defiance of authority" as covered in Information and Guidelines. Please make the lunch area an enjoyable place to visit and have lunch with friends.

## **Media Center**

The media center is open at 8:45 a.m. and remains open for student use after school until 4 p.m. With a pass from a teacher, students may go to the media center during a class period to do research.

Most media center materials may be checked out for up to two weeks. Materials must be checked out before leaving the media center.

## **Nurse's Office**

The school has a full-time nurse or health assistant on duty to administer the health program. Screening programs for height, weight, vision, hearing, and scoliosis are done routinely at designated grade levels.

The nurse's office is an emergency station. If a student becomes seriously ill or injured at school, he/she should report to the nurse's office or other office personnel immediately.

Students should not leave school, under any circumstances, without permission from the nurse or office personnel. Students must have a hall pass from a teacher before entering the nurse's office. Students are not to use any phone except the nurse's phone to call home if ill.

Students must not go to the nurse between classes except in extreme emergencies because teachers will not be aware of the circumstances and may mark the student tardy or absent.

## **Off-Campus Jurisdiction**

Students should understand that Arizona law allows the school district to hold them accountable for their behavior on school property, on the way to and from school, during any school-sponsored activity, at school bus stops, and in other locations outside school grounds if the behavior has a negative impact on other students, teachers, or school activities.

## **Parent Delivery Policy**

In order to minimize the disruptions to instruction, we are restricting deliveries to students to items that are essential to the educational process. Therefore, classes will not be interrupted for delivery of items.

Parents will need to wait for their student to be called to the office between classes to receive ANY item that has been brought for them by a parent or family member, including but not limited to lunches (fast food deliveries are allowed), lunch money, homework, or PE clothing. Due to health regulations, lunch/food drop offs can only be for your student. Lunch/food cannot be provided for your student and their friends. Restaurant deliveries or deliveries from businesses are not allowed.

The front office will not be responsible for delivering items to students.

Please note, we do our best to deliver phone messages. Messages are delivered the last 5 minutes of a class period in order to not interrupt instructional time.

## **Participation in Athletics and PE**

Shorts, shirts, tennis shoes, and socks are worn during physical education classes. Modest bathing suits will be necessary during planned swimming time.

Clothing must be neat and clean, and marked with the owner's name. PE clothes are available for purchase through the bookstore but are not required.

If a student must be excused for medical reasons, he/she must present a signed note from a parent or guardian to the physical education instructor. This note may excuse the student from physical activities for a period of no more than three days.

Any excuse for periods longer than three days will require verification by a physician. The student will be expected to dress out during non-participation days unless the parent specifies otherwise.

It's the parent's responsibility to inform the school and coaching staff of any student illness or injury that may have an impact on the student's health and safety during participation in physical education and athletic programs.

## **Personal Item Policy**

Students are not allowed to bring personal non-educational items to school such as sports equipment, toys, fidget spinners, blankets, stuffed animals, etc. These items cause distractions in the learning environment. A 1st infraction of an item removed from a student, the student can pick up the item in the front office the end of the day. A 2nd infraction, or more, will require a parent to pick up the item.

## **Promotion and Retention Policy**

The Mesa Public Schools promotion and retention policy is based on the premise that students must achieve certain competencies at each instructional level in order to be promoted. Therefore, any 7th or 8th grade student who is identified as failing a course in Math, English, Science, Social Studies, or Reading by the start of the second quarter will have a parent teacher conference scheduled with school counselors to determine the appropriate academic interventions. These may include:

1. Saturday School: remedial classes in Math and English may be held on Saturdays.
2. Loss of elective classes to accommodate additional Math and/or Reading supports.
3. If these academic interventions do not result in student academic progress or if a student refuses to cooperate with the interventions, the student could be required to repeat his/her classes and/or be retained at his/her current grade level.

## **Protection of School Staff Rights**

Just like students, staff members at Mesa Public Schools are protected by special laws that ensure their rights are protected. Arizona Revised Statute §15-507 states:

“Any person who knowingly abuses a teacher or other school employee on school grounds or while the teacher or employee is engaged in the performance of his duties is guilty of a Class 3 misdemeanor.”

## **Restrooms and Drinking Fountains**

Students should take responsibility for keeping the restrooms and drinking fountains clean and litter-free. Students should also keep the areas free of markings. Students will be held responsible for any vandalism or damage they may cause to school or district property.

## **Silent Witness**

Every student has the right to be safe at school. Additionally, each student has a responsibility to do his or her part to keep it safe. Sometimes this is as easy as reporting things that create an unsafe environment. Silent Witness provides a way for students to report weapons, drugs, threats, graffiti and other safety issues to the school while remaining anonymous.

Unsafe conditions may be reported to an administrator, a security person or by calling Rhodes’ Silent Witness line at 472-7867.

Funds are available to reward students for information. Once again, this is all done in a discreet and confidential manner.

## **Smoking, Alcohol and Drugs**

If a student is found to be in possession of any form of tobacco on campus they will be subject to disciplinary action. Alcohol or drugs are not permitted on any Mesa Public School property. Penalties for possession, use, sale, or distribution of alcohol or drugs on or near and school campus are listed in the Information and Guidelines section of this handbook. These can and will include suspension and notification of law enforcement.

## **Sports**

The mission of the MPS Jr. High School Athletic Program is to provide an educationally sound program that emphasizes participation, cooperation, good sportsmanship and teamwork for seventh and eighth grade boys and girls.

The objectives of this program are to develop and maintain on the part of the participant:

1. Physical skills necessary in the sport or activity.
2. An awareness of progressive skill requirements needed to continue to grow in the specific sport or activity.
3. A sense of loyalty, team play, cooperation, and sportsmanship which will have “carryover” values in later life.
4. Respect for efforts, abilities and rights of others (especially in regards to opponents and officials).
5. The awareness of leadership responsibilities in school, community and life contacts, as well as on the athletic field.

All student athletes, regardless of skill level, will participate in athletic competitions. Each junior high school will be represented by a 7<sup>th</sup> grade competitive team and an 8<sup>th</sup> grade competitive team. The exception will be wrestling and cross-country, which will be a combined 7<sup>th</sup> and 8<sup>th</sup> grade team.

All remaining students not selected for competitive teams will participate on a developmental team.

The number of developmental teams will be determined by enrollment for each sport.

Sports seasons are as follows:

- 1<sup>st</sup> Quarter: Boys Basketball, Girls Soccer, and Wrestling
- 2<sup>nd</sup> Quarter: Softball, Baseball, and Girls Badminton
- 3<sup>rd</sup> Quarter: Girls Volleyball, Flag Football, and Cross Country
- 4<sup>th</sup> Quarter: Girls Basketball and Boys Soccer

## **Sport/Game Balls**

For safety reasons, students are not permitted to bring sport/game balls to Rhodes Jr. High. If a student brings a sporting/game ball to school, it will be confiscated by a staff member.

Consequences for bringing a sport/game balls to school are the following:

- 1<sup>st</sup> Violation: Ball is confiscated and turned into the Team Leader's secretary. The student may pick-up the ball at the end of the school day. An official warning is given to the student.
- 2<sup>nd</sup> Violation: Ball is confiscated and turned into the Team Leader's secretary. A parent/guardian must pick-up the ball in the office. It will not be released to the student. It is the student's responsibility to notify parents/guardians about the 2<sup>nd</sup> incident.
- 3<sup>rd</sup> Violation: Ball is confiscated and turned into the Team Leader's secretary. A parent/guardian must pick-up the ball in the office. It will not be released to the student. Student is assigned additional consequences.

## **Student Council**

The Rhodes Student Council is considered a very important part of the school. The Student Council is the governing body of the school and plans many student activities.

The Student Council is an organization through which the students may express their opinions and assist in the functions of the school. The council promotes leadership and initiative.

A president, vice president, secretary and treasurer of the student body are elected to carry on student activities during the school year. Class officers and grade-level representatives are also elected to the council.

## **Student ID**

Each student will receive a picture identification card, free of charge, for use throughout the school year. Students are expected to have in their possession their ID card at all times on campus and for attendance at all school events and to ride the bus.

A student ID card is required for purchasing lunch and checking out books.

If lost or damaged, a duplicate card may be obtained at designated times in the bookstore for \$4 per card.

## **Telephones**

A student telephone is available for school business in the Front Office. Please be aware that the office closes at 4:30 p.m. and no phone will be available.

## **Visitors**

Parents, guardians and patrons are always welcome at Rhodes. However, students may not bring friends or younger brothers or sisters to visit. We will not supervise or assume liability for students not enrolled here.

Adult visitors should check in at the front office and wear a visitor's pass.

## **Withdrawal from School**

If it becomes necessary for a student to withdraw from school during the school term, parents should notify the registrar two days in advance to prepare transfer records.

The student will be given a withdrawal sheet to take to each teacher for proper clearance. Parents may come to school and make the withdrawal at any time. Withdrawal process is not complete until all textbooks and student ID are returned to the registrar. Having the forwarding address of the new school is very helpful.

This summary features highlights of the district's Policy JFCA: Student Dress and Grooming to help students comply with the standards at school and school events. Each principal and School Improvement Advisory Council may supplement the following districtwide standards. Complete information is available in your school office.

## General Standards

Personal appearance and dress are the responsibility of the student and the student's parent or guardian.

Students will not dress or groom themselves in a manner that, in the judgment of the school administrator, presents a risk to the health, safety or general welfare of the student, other students or staff, or that is counterproductive to the district's educational objectives.

Students will refrain from displaying tattoos or wearing clothing, jewelry or other accessories that communicate, whether through language, images, symbols, artwork, color schemes or clothing styles:

- a message related to tobacco, alcohol, illegal drugs and other items that cannot be legally purchased or possessed by minors
- a message that advocates or promotes violence or terror

- a message that would cause a reasonable person, as a student or staff member, to feel threatened, intimidated or harassed because of the person's race, ethnicity, religion, disability, gender or sexual orientation
- a message expressing gang membership, affiliation or support

The foregoing standards regarding "message" clothing will be interpreted and applied by school administrators in a manner that avoids infringement of a student's First Amendment rights.

- Shorts must have at least a 2-inch inseam and extend to the tip of the student's fingers.
- Dresses and skirts must extend at least 1 inch beyond the tip of the student's fingers.
- Clothing or attire by which an adolescent female student does not wear a bra or underwear, wears a bra or underwear as outerwear, or wears clothing in a manner such that underwear is visible through outerwear is prohibited.

- Pajamas and other sleepwear are prohibited.

- Jewelry and accessories with studs, spikes, sharp objects or heavy chains are prohibited.
- Sunglasses may be worn indoors only if there is a medical need to wear them.
- Hats or other head apparel may not be worn inside school buildings unless for religious, medical or safety purposes. Students will not be prohibited or discouraged from wearing hats or other clothing designed to reduce sun exposure while outdoors.
- Trench coats and other oversized clothing that can conceal contraband are prohibited.
- Footwear must be worn at all times. Shoes such as "wheels in the heels" that pose safety hazards and shoes such as cleats that may damage flooring are prohibited.
- Safety dress requirements for specific classes must be followed.

## Grooming Standards

Without limiting the general standards, students must comply with the following standards at school and school events:

- Students are expected to bathe and groom themselves regularly so that any lack of personal hygiene is not annoying or disruptive to students or staff.
