We teach them well!

Mesa Public Schools is an innovative, award-winning district that is recognized nationally for student achievement in academics, sports, the arts, and career and technical programs.

America's Promise Alliance ranks our district No. 1 in high school graduation rates among the nation's largest cities. *Education Week* newspaper cited our district's exceptional graduation rate and ranked MPS among a handful of "overachievers" nationwide. Graduates in the class of 2010 were offered more than \$53.7 million in scholarships and awards, \$3 million more than last year. Five Mesa high schools were honored in the 2010 Best High Schools Search by *U.S. News & World Report* and School Evaluation Services.

The district is a leader in providing quality educational choices, such as the International Baccalaureate Programme, to children in kindergarten through 12th grade.

High school students may choose a traditional setting or a small learning environment. Course work ranges from advanced and college preparatory classes to online and credit-recovery classes.

Elementary children attend our strong neighborhood schools. The original Franklin back-to-basics schools are open to elementary and junior high students.

What other schools promise, Mesa Public Schools delivers.
