February 2010

Dear Parents:

Spring is almost here - a time for new beginnings, and a new semester at Shepherd! February is pre-registration time for the 2010-2011 school year. Your child has already received the materials and instructions regarding registration. Counselors will be taking students to the computer lab to register online. They will use the signed registration forms to make sure students sign up for electives that have been approved by their parents. Once this online registration is complete, parents who have registered for Parent Experience may view their child's elective choices online. Our front office staff or Mrs. Dwight in counseling can assist parents in registering for Parent Experience if they have not already done so.

Congratulations to Cole Fowler, who placed first in Shepherd's annual spelling bee. Congratulations to all students who made the honor roll for second quarter. These students obviously work hard and take their studies seriously.

The following students had no absences or tardies first semester: GOOD JOB!!

I want to thank all of you who were here at Show-Off Shepherd on January 28. We had a great turnout and the response from those who attended was very positive. All departments displayed student work. Additionally, student artwork was exhibited, and students from performing arts showed off their wide range of talents.

Shepherd has so much of which to be proud. Students continue to shine academically, artistically, and athletically. We look forward to maintaining and developing our strong traditions.

Sincerely,

Eileen Cahoon
Principal

PARENT PORTAL – A VALUABLE TOOL

My MPS is an online communication tool that gives parents access to information about their child.

Using the Internet, parents can review and monitor school information for their child, including attendance, report cards, class schedule, teacher grade books and course history.

Each family can receive an activation key to login to My MPS and create an account. With the user ID and password, parents can view and monitor information for each of their children.

As a safety measure, the district asks that you visit the school office to pick up your activation key. Families who have children at more than one MPS school may visit the most convenient campus to receive the code for all children in the family.

Student achievement is our top priority in Mesa Public Schools. Research concludes that parent interest and participation in a child's education is a key to academic success.

REGISTRATION FOR THE 2010-11 SCHOOL YEAR

We are currently in the process of registering students for the 2010-11 school year. Packets were given to our current 8th graders on January 28 and are due back to their teachers on February 5th. Current 7th graders will receive their packets on February 3rd and the packets are due back on February 8th.

Please review the packet and course descriptions and help your child choose electives.

Sign the packet and have your student return the registration form to the school.

Counselors will use this form to help students enroll in the electives you have approved. This registration will take place online in the computer lab here at Shepherd.

Once this online registration is complete, parents who have access to the Parent Portal may view those choices online. We will have a short window of time to make adjustments to choices. If you have any concerns or need to make changes, please contact your child's counselor at 480-472-1816. Next year's teaching contracts are based on choices made during this registration process.

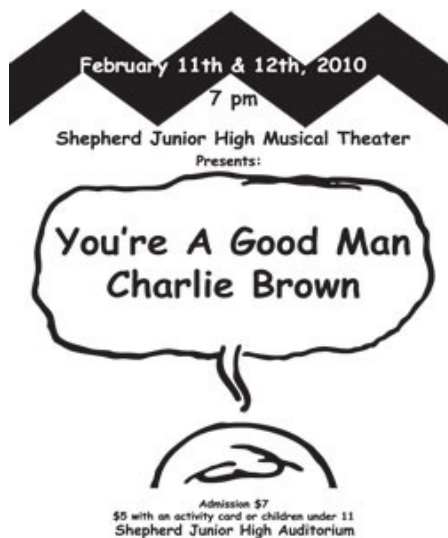

Creative Writing for 2010-11

If your child is looking for an elective, consider enrolling him or her in Writing. This class, taught by Wendy Peterson, is open to all incoming eighth and ninth grade students. Students will work in a relaxed, enjoyable, and supportive atmosphere that is still rigorous, developing their writing skills and confidence. Many writing genres will be explored, and students will have the opportunity to enter writing contests. If you have questions, contact Mrs. Peterson at 472-1918 or wspeters@mpsaz.org.

Media Center News

We had the coolest Scholastic book fair! Our Winter Olympic theme invited shoppers to "Luge themselves in a good book". The profits from the fair will be used to purchase new books for the library. Thanks to all who supported the book fair.

We continue to experience a high number of books being returned damaged. When a student checks out a book, he or she needs to look at it carefully. If there is any type of damage, let us know at the time of check out, otherwise the student will be charged a fine for the book if it comes back damaged. Fines range from 50 ¢ to the full price of the book. The most common types of damage are warped pages from water damage, torn pages, broken book spines, bent pages, food stains, and damage to the book jacket or cover. Students need to handle the books carefully and use a large Ziploc bag to keep their library books safe from water damage.

Musical Theatre

Musical Theatre presents "You're a Good Man, Charlie Brown"! Come see your beloved Peanuts gang as they sing and dance through many of their famous comic strip scenes. Performances are February 11th and 12th. The show starts at 7:00 p.m. Tickets are \$7 or \$5 with activity card and for children under 11. Don't miss this fantastic performance!

NJHS News

Information about joining NJHS will be forthcoming in the March Scoop, but here are a few important details to remember:

- All 7th and 8th graders who meet the requirements are invited to apply.
- Besides demonstrating academic excellence, applicants should demonstrate leadership, citizenship, and service.
- Eligible students must have achieved a minimum 3.5 GPA for the first three quarters of the 2009-2010 school year.
- Current NJHS members in good standing need not reapply.

2010-2011 Spiritline Tryouts

Give me an S! Give me a J! Give me an H!

Do you want to support your school?

Do you have what it takes to become a cheerleader?

Shepherd Spiritline tryouts are right around the corner.

All interested 8th graders MUST attend a meeting on Tuesday, March 9, at 4:00 p.m. in the Media Center. In addition, there is a MANDATORY parent/candidate meeting on Wednesday, March 10, at 6:00 p.m. in the Media Center. Tryouts will be held the week of April 5-9.

Please see Coach Amphya (slampha@mpsaz.org) in room 147 or Coach Wills (kawills@mpsaz.org) in room 267 for more information.

Counselor Corner

Registration for the 7th grade will start on Tuesday, February 3rd. Their registration packets should come back to us on Monday, February 8th. We will then take seventh graders to our computer labs to have them register on line.

The 8th grade will register on line starting the week of February 8th. Parents can check the classes their student selected by using the parent portal. If you have not yet received your activation key, please call Mrs. Skabelund at 472-1803 or call your child's counselor at 472-1816.

PTO News

Shepherd's PTO thanks you for your past and future support. Together, we make a difference for all of Shepherd's students. Please make note of and plan to participate in the following events:

February 27: Book Fair at Barnes and Noble on Val Vista and the US60. Groups from Shepherd will perform; activities will be offered; a percentage of purchases will be returned to Shepherd.

March: Paper Drive

April 8: Elections for the 2010-2011 officers will take place. Your volunteer spirit is needed to keep our PTO strong.

Contact PTO President Chris Trapp at ctrapp2@cox.net for further information.

Mesa Teacher of the Year Nominations

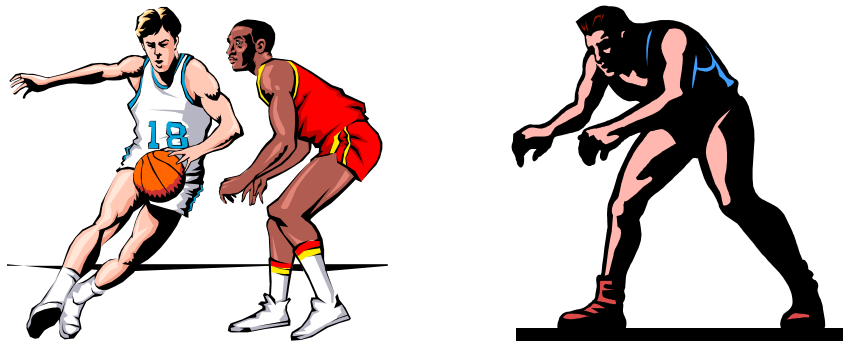

Parents and students are invited to complete a 2010 Teacher of the Year nomination form along with a short essay on any Mesa junior or senior high school teacher. Please obtain a form from the Counseling Department. All nominations are due to the Counseling Department by February 12, 2010.

GO STALLIONS!!

Boys P.E.

We are excited to be back at and are enjoying a great 2nd semester. Our 9th grade basketball team is doing great and we are very proud of those young men. Please come out and support them as they wrap-up the season. The upcoming spring sports are baseball and track for 9th graders, so make sure if you are trying out that you have all the paperwork needed. For our 7th and 8th graders we have wrestling. Thanks to parents and students for all you do for Shepherd.

Wrestling is winding down their season. The guys have been working hard and had some really good matches against Desert Vista, Brophy and Poston, getting better each match. City results will be in the March newsletter.

Boys Basketball

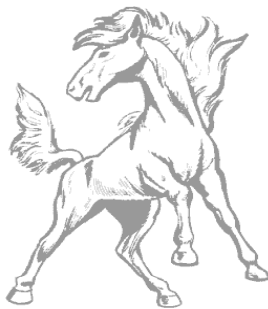

In Pursuit of City Championship

The Boys Basketball team remained undefeated in city play with an overall record of 7 wins – 3 losses as of January 19. Great team defense, tough inside play, strong rebounding and on-target perimeter shooting is contributing to the team success this year. Remaining games include: Desert Vista-Home-February 2, and Fremont-Home-February 5. Check back in the March Scoop for final results.

Thanks, Coach Steiner

SPOTLIGHT ON STAFF

Allyson Van Voris has always taught at Shepherd. She began in the '94-'95 school year and has never left! Before that, she held many jobs, but her favorite all-time job was working for a movie theater. Mrs. Van Voris currently teaches Spanish 1 and Spanish 2. Mrs. Van Voris has an AA from Phoenix College ('90), a BA with a major in Spanish from the University of Arizona ('93) and a master's degree in multicultural education from NAU ('04). She also has an English as a Second Language endorsement. Her friends often ask if teaching is ever boring. Her response is, "How could it be? With almost 180 students with ever-changing lives and emotions, my job is never dull. The mountains of grading, the piles of paperwork and the lists of things to do are all worth it just to be able to work with the kids. They are the best part of the job." Mrs. Van Voris has two key expectations for her students: 1) ALWAYS make an effort and 2) ALWAYS be respectful. When these two expectations are consistently met, the days are full of fun, smiles and good learning. A little trivia about Mrs. Van Voris: She loves playing computer games and gardening and she has three dogs that run her life. Some day she wants to own a farm—not a big farm, but she really wants a duck.

Anne White has worked for Mesa Public Schools since 1976. She has worked at Edison, Kino, Whitman, Fremont, Stapley, Poston, SHARP, Power Middle School, Brimhall, and Shepherd, where she has been for seven years. Ms. White is a speech and language pathologist. She expects her students to always give their best effort in their speech class and have a positive attitude. Ms. White received her B.A. Ed from the University of Akron and her M.S. from Arizona State University. She is a member of the American Speech-Language and Hearing Association. Ms. White loves working at Shepherd. She feels the administration, staff, and students are outstanding, and the special education team works very well together. Ms. White appreciates the wonderful support system provided for both students and staff.
