

Where are we located?

Sirrine Elementary School is part of the Mesa Unified School District No. 4. We are located in Chandler, Arizona, about 20 minutes southeast of Phoenix. From the Superstition Freeway, take the Alma School Rd. exit, travel south to Mesquite St., and turn east. The school is located right next to Hoopes Park.

When did we begin?

Sirrine began in the fall of 1983 on the campus of nearby Pomeroy Elementary School. When construction on our new facility was completed, the school officially opened its campus at 591 Mesquite Street in January 1984.
