

Skyline Athletic Family Pass

Being a fan provides hours of excitement and fond memories but can put a strain on the wallet. However, families who want to cheer on the Coyotes can still root for the teams without going into debt. By purchasing a family pass for just \$75, a family could considerably reduce the amount paid in admission fees over the course of a year.

Schools throughout the state began charging admission because of the rising costs of employing officials and staging athletic contests. The family pass helps alleviate these charges by covering the admission for two adults and siblings to all regular season home sporting events (must enter altogether). Events to which Mesa Public Schools charges admission include:

- *Varsity, Junior Varsity, and Freshman Football
- *Varsity, Junior Varsity, and Freshman Volleyball (boys and girls)
- *Varsity, Junior Varsity, and Freshman Basketball (boys and girls)
- *Varsity, Junior Varsity, and Freshman Wrestling
- *Varsity and Junior Varsity Soccer

Your family pass may be purchased online or by stopping by the Skyline Bookstore.

Last name of family to be printed on pass:

First names of immediate family members (parents and siblings only)
