

Welcome back students and families

Dear Students and Families,

Welcome back to school! My name is Isabel Weintraub and I am a new Special Ed teacher at Skyline Highschool this year. If you are receiving this letter it is because I either have you/your child on my caseload or in one of the following classes:

Life skills

Transition/ OJT

Basic Science

Though this is my first year in the Mesa Public School district and to Skyline High School, I have been teaching for three years. I graduated from NAU in 2017 with a dual degree in Special and Elementary Education. Following, I moved to Thailand to teach English for one year. For the 2018/2019 school year I taught a middle school self contained program for students with MO-SID .

As we all know, this school year is going to look much different than previous years. This is new and uncomfortable for everyone, we are all learning and in this together. Please, if you have any questions do not hesitate to reach out. I will do my best to support your questions or forward you to someone. Remote/Virtual learning will begin on August 4th. Further updates will be announced at a later time.

I am SO excited for this school year!

Sincerely, Ms. Isabel
