

With a significant chance of rain in the forecast for today, we wanted to remind Sousa families of our release procedures.

- Please notify the school **no less than 15 minutes** prior to the release bell if you will be picking up a child who normally walks home. They will be dismissed to the Kiss & Go line.
- Walkers will walk home as usual unless the school is **contacted at least 15 minutes** before the bell.
- Kiss & Go students will be dismissed as usual, but will wait in the covered area near the playground.
- Kiss & Go students will be picked up at the large rolling gate in the Kiss & Go lane. Please be patient as student pickup will take longer on a rainy day. You will not exit your car nor come on campus.
- If a rainy day will change how your student gets home, please make a plan with them before coming to school. We will do our best to get messages to students as parents call the office, but to avoid messages getting missed, please have a plan in place before school.
