I understand Jr High Athletics will enforce an eligibility policy each competitive season. Jr High Athletics requires a \$25 registration fee that will be due prior to the first athletic contest of the season. All students must be passing all classes on a weekly basis (C or higher). Students who do not meet the expectation will be ineligible until they meet the expectation. Students must provide the Athletic Director with proof they have raised the failing grade to a passing grade to regain eligibility. Please speak with the Athletic Director for more information regarding the eligibility policy.

I have been made aware of all sports modifications for boys soccer and girls basketball that are in alignment with AIA Winter Sports modifications and MPS high school athletic modifications. These modifications include but not are not limited to the use of face masks by all coaches, athletes, spectators and school staff for the entirety of the athletic contests and the limited attendance of parents/guardians for athletic events.
