

# *Autumn Bramley*

Sixth grade, MacArthur Elementary School

## *Student of the Month*

February 2017

Autumn is a true example of an educator's dream student. Along with her strong work ethic, she is determined and conscientious.

A natural leader, Autumn juggles multiple activities while demonstrating her personal best. She receives the highest academic honors every quarter and goes beyond what's expected in the classroom. She mentors her peers by helping them in their core subject areas.

Autumn's passion for music and dedication to orchestra have expanded her creative outlets. She is a masterful, talented writer and had work published this year in Mountain View High School's newspaper, *The Viewpoint*.

Autumn is friendly and treats every MacArthur student and teacher with great respect. She will have a successful and meaningful impact on the world because of her tremendous family support, love for education and caring for others.

Congratulations, Autumn. We are pleased to honor you as a Mesa Public Schools Student of the Month.
