Sixth grade, Patterson Elementary School

## *Student of the Month*

December 2016

Brett is an excellent student who impacts not only his school but also his community.

When one thinks of Brett, the words accountability, empathy, peer leadership, grit and determination come to mind. He always gets the job done and makes sure all around him are successful, too. Brett is a role model who helps his peers achieve their personal goals.

Whether it's his academics, friendships or extracurricular activities, Brett gives 100 percent. He also won't shy away from a challenge. In fact, he excels as part of the MA10 accelerated math program.

Brett is wise beyond his years but he also has a silly side. His unique personality, infectious giggle and smile are contagious to all around him.

Congratulations, Brett. We are pleased to honor you as a Mesa Public Schools Student of the Month.
