

Caitlyn Leslie

Fifth grade, Highland Arts Elementary School

Student of the Month

January 2017

Caitlyn has grown immensely in many ways this year.

Caitlyn has always found math to be a challenge. But she's never lost her winning attitude and strong work ethic.

Caitlyn's progress is inspiring. She's gone from being timid and unsure of her academic abilities to helping reteach math lessons to struggling peers.

Caitlyn won't settle for anything less than her best. She confidently asks for clarification whenever she's stumped by a concept. She is thorough and always double-checks her work.

Her positive attitude and thirst for learning make her a role model. In fact, she'd make an amazing teacher. Maybe one day, she'll share her contagious enthusiasm for learning with her very own students.

Congratulations, Caitlyn. We are pleased to honor you as a Mesa Public Schools Student of the Month.
