

Eva Romenska

Sixth grade, Washington Elementary School

Student of the Month

April 2017

Eva is a dynamo of intelligence, elegance, dedication and grit.

In less than a year at Washington Elementary, Eva has had a remarkable impact on her peers. In fact, in her first month, she was elected to student council, tested into MA10 accelerated math and Gifted and Talented, and amazed classmates and staff with a presentation and stories from her native Ukraine.

But that wasn't enough for Eva. She also became a media-center volunteer, and joined Battle of the Books, volleyball and soccer.

Eva's work ethic is unmatched. Her intrinsic motivation drives her to do everything well. She simply will not give up until her questions have been sufficiently answered. Eva's enthusiasm for learning is inspired by her desire to someday attend the absolute best university available to her.

Eva has enriched the Washington community with her positive attitude, exceptional determination and spirit.

Congratulations, Eva. We are pleased to honor you as a Mesa Public Schools Student of the Month.
