

Kathya Garcia

Fourth grade, Lowell Elementary School

Student of the Month

February 2017

Kathya arrived at Lowell Elementary in first grade, and ever since she has been a model student.

Kathya is an inspiration to her peers. She brings a “you can do it” attitude to class. Her classmates and teacher admire her good judgment and team effort.

Kathya’s excellence in all areas is in part due to her ability to think outside the box. She loves a challenge and has set goals for herself to learn beyond the fourth-grade curriculum. She is always eager to learn new skills.

Kathya strives for perfection. Her talents are shown in her gifted and talented class and the afterschool sports program. She regularly seeks opportunities to broaden her academic outlook.

Although Kathya tends to be quiet and humble, she shines as an outstanding student on campus every day.

Congratulations, Kathya. We are pleased to honor you as a Mesa Public Schools Student of the Month.
