Seventh grade, Fremont Junior High School

## *Student of the Month*

April 2017

To simply say London is a good student would be both an understatement and a disservice. She is, in a word, exemplary.

London's pristine organizational skills and rigorous study habits make her a formidable student. Because of this, she is a consistent top performer in each of her classes.

More important than grades, however, is London's strength of character, which shines bright amongst her peers. After each class period, she waits behind to wholeheartedly thank each teacher for the lesson she just attended. Although the act takes just a few moments of her time, it leaves a lasting impression on her teachers.

When working with her peers, London's words and actions are kind and respectful. Her sweet personality and enthusiastic spirit have led to appreciation and admiration from the entire Fremont Junior High community.

Congratulations, London. We are pleased to honor you as a Mesa Public Schools Student of the Month.
