

Monique Le Tran

Senior, Dobson High School

Student of the Month

April 2017

On her first day at Dobson High School, Monique was quiet and bashful, unsure of her new surroundings. Over the next three years, the shy girl has developed into an amazing young woman.

Monique has faced challenges throughout her life. However she has never lost her dream of one day going to college.

Monique has a genuine thirst for knowledge. She's unafraid to ask questions, realizing being inquisitive is necessary for success.

Although she stays busy by being involved in National Honor Society, Key Club and We the People, academics are Monique's top priority. She exclusively takes honors and AP classes, embracing the demands of the rigorous coursework.

Monique's positivity and work ethic make her a pleasure to teach. She believes education is the key to a successful life and recently made her college dream come true with her acceptance to the University of Notre Dame.

Congratulations, Monique. We are pleased to honor you as a Mesa Public Schools Student of the Month.
