

Pedro Escalona

Sixth grade, Hawthorne Elementary School

Student of the Month

December 2016

Pedro is a spectacular citizen and dream student for educators.

Pedro excels academically. He's always willing to help his peers no matter their level or ability. It is common to see him assisting students who are struggling. He has a knack for explaining concepts in a calm and understanding way.

Pedro gives his all in everything he does. He usually has a shining smile to go along with his hard work. When classroom challenges come up, he speaks up to figure out a solution or give suggestions for improvement.

Pedro's leadership continues outside the classroom as student council president. His friendship extends to all who step on campus, and he's often first to take new students under his wing and make them feel welcome.

Congratulations, Pedro. We are pleased to honor you as a Mesa Public Schools Student of the Month.
