Sixth grade, Ishikawa Elementary School

## *Student of the Month*

April 2017

Sydney is a spectacular student and human being. To know her is to love, admire and appreciate her.

Sydney brightens your day with her smile. She always has a positive attitude and is excited to learn. Sydney is helpful to teachers and peers. If she sees a classmate struggle, she gladly assists them.

Sydney's band instructor says, "Her musicianship far exceeds what a typical sixth-grader is capable of and her pleasant attitude makes her an outstanding student."

In fourth grade, Sydney started a business making bracelets, soap and cards to help kids with cancer at the children's hospital. Her fourth-grade teacher says she is "probably the most amazing, kind, generous, sympathetic, genuine and sincere child I've ever had the privilege of knowing and teaching." Sydney is truly an asset to her school, the community and society.

Congratulations, Sydney. We are pleased to honor you as a Mesa Public Schools Student of the Month.
