

Adding Text to Smart Page

Select **“Edit Page”** from the Architeck toolbar at the top of the page.

When the screen refreshes, you will see lightly shaded blocks with the words **“Add content...”** on your page. To begin editing, simply click in any one of the boxes.

In the **Add Content** window, select **“Text”** and then select **“Body Text.”**

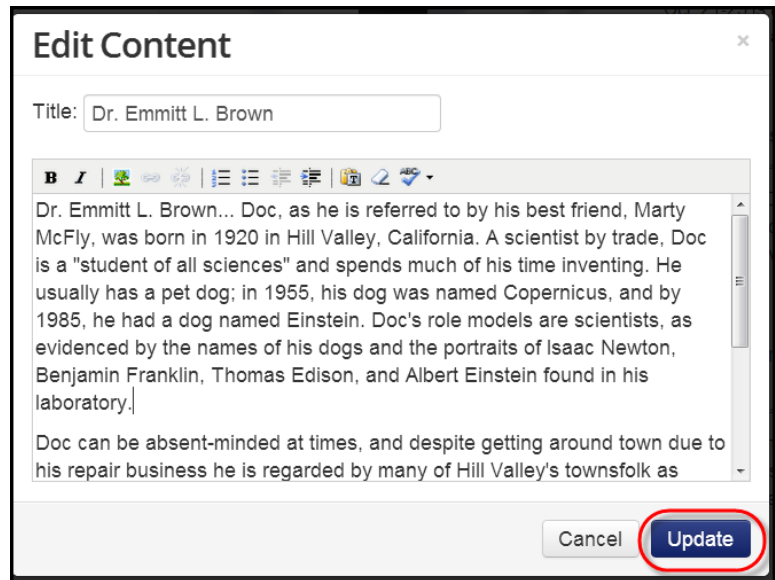

Select **“Create.”**

The **Edit Content** window will open.

You have the option to add a title.

Type the information in the workspace. You can include links, images, numbered lists, ordered lists, etc. in this area.

When you are finished, select **“Update.”**

Dr. Emmitt L. Brown

Dr. Emmitt L. Brown... Doc, as he is referred to by his best friend, Marty McFly, was born in 1920 in Hill Valley, California. A scientist by trade, Doc is a "student of all sciences" and spends much of his time inventing. He usually has a pet dog; in 1955, his dog was named Copernicus, and by 1985, he had a dog named Einstein. Doc's role models are scientists, as evidenced by the names of his dogs and the portraits of Isaac Newton, Benjamin Franklin, Thomas Edison, and Albert Einstein found in his laboratory.

Doc can be absent-minded at times, and despite getting around town due to his repair business he
