

User Profile in Smart Pages

Select **“Edit Page”** from the Architekt toolbar at the top of the page.

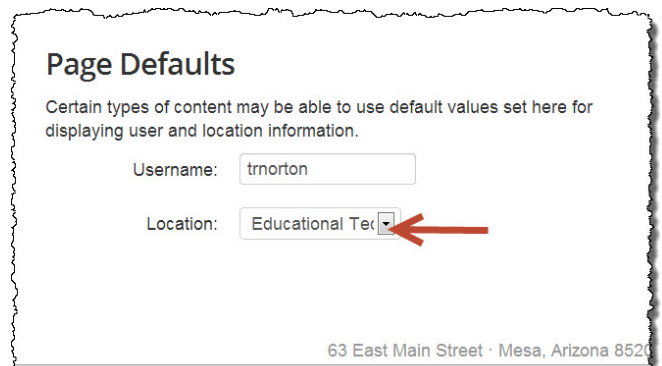

When the screen refreshes, you will see lightly shaded blocks with the words **“Add content...”** on your page. To begin editing, simply click in any one of the boxes.

In the **Add Content** window, select **“Dynamic”** and then select **“User Profile.”**

Select **“Create.”**

When you created your Smart Page, you should have entered your Architekt **Username** and **Location** in the **Page Defaults** area.
