

## **Mission**

Brinton Elementary is here to help all students gain educational and social skills needed to live in and contribute to a changing world.

## **Vision**

The Brinton School Community excels at providing a safe, learning focused environment which offer each student educational experiences designed to foster each student's academic, personal and character strengths. Our students and staff are lifelong learners with an emphasis on the value of education and on becoming productive citizens.

## **Values**

**Expectations...** We hold ourselves, staff, and students to high expectations in regards to character and academic achievement, as shown in the behaviors demonstrated throughout our school and our positive attitude towards learning.

**Time...**As a staff we value time for learning and working collaboratively, and use instructional time effectively each day.

**Collaboration...** Teachers collaborate to foster and ensure high expectations while developing a positive, consistent learning environment.

**Involvement...**Brinton will foster a high level of involvement among the community, parents, and students. Effective communication is the keystone to encouraging involvement.

**Professional Development...** Teachers are encouraged to seek out new skills and foster continuous growth through collaboration and professional development in order to better meet the needs of their students.
