Performance in recognition of
Veterans' Day

Letter from the Principal

Dear Explorer Families,

Welcome back from Fall Break. I hope everyone had some time to re-charge their batteries and prepare for our next quarter of instruction. We have Parent/Teacher Conferences beginning this week. Please make sure that you make an appointment to discuss your child's progress.

Additionally, we are entering the quarter that is packed full of holidays. We have Veterans' Day to remember all that have sacrificed to provide us the freedoms we enjoy. One of those is a free and appropriate education. You might use this opportunity to discuss with your children some of our world's events and how not all children have the right and ability to go to school. This will lead us into our Thanksgiving and Christmas Holidays. For me these holidays and traditions are so special in celebrating family and friends. They also remind me to be thankful for the good things in my life.

Bill Schultz

Principal

From the Nurses' corner:

We are in need of gently used clothing in the nurses' office. Students of all shapes and sizes make use of this service from time to time. I would appreciate any donations you can give us.
