

## **Follow Mesa Public Schools on social media**

Social media offer parents and the public a wealth of information and images that capture the heart of Mesa Public Schools — student achievement and the wonderful people who support and celebrate their success.

Catch our latest videos on YouTube. And follow us on Facebook and Twitter. We're happy to highlight postings from teachers and principals, and to hear from parents and residents, throughout the district.

News, videos and photos focus on everything from innovative educational opportunities, academics, awards, the arts and athletics to assemblies, field trips, after-school activities, humanitarian outreach, fundraisers and festivals.

You'll get the scoop on community involvement too, with news of PTO and booster club activities, volunteers, school-business partnerships, guest speakers, and the latest newspaper and television coverage.
