

## Penny wars Information

Teachers may need plastic jars for collection of money. They will make it fun for the kids all week with different ways to draw in money. Whether they are going for most pennies or most bombed. Great way to earn money for our school.

Make flyers and advertise ahead of time.

Friday is the last day so have an all call for all collection jars to come up to the front office.

Deposit money. Mid first has a free service to put money into the machine to count if you have an account with them. Miche Whitmer has an account. Money will be exchanged for bills and then take to PTO bank to deposit.

Awards are given with a big bag of candy for winning classrooms.

Most pennies

Most bombed

Most bills

Most money earned

Dr Reid has trophy's for each classroom along with certificate attached.
