Parental Awareness of Safety

- Crossing guards and portable school zone signs are not in place at school crossings at all times during the school day.
- Children coming to and going from school at times other than the times full-time students come and go do not have the same protection that may be afforded to students coming to and going from school at the same time.
- Parents are responsible for the safety of students using school crosswalks during times when portable school crossing signs are not in place and when a crossing guard is not on duty.
