

Safety Notes

PARKING LOT GUIDELINES

Thank you for your assistance in making the parking lot a safer place for our students.

*All student drop-off and pick-up will be in the drive-thru at the front (north) of the school

*Only staff cars and buses will be allowed in the west parking lot (adjacent to Shepherd).

*Students may not be on campus without adult supervision. Since teachers report for their duty assignment at 8:05 a.m., please arrange your child's departure from home so that he/she does not arrive at school before 8:05. Breakfast students, however, should arrive in the school cafeteria at 8:00.

Alta Mesa

Mendoza's staff is concerned about the traffic congestion and pedestrian safety before and after school. Our students and parents deserve a safe traffic area for pick-up and drop-off.

Pedestrian safety depends on adherence to the uniform practices and procedures in the parking lots. To increase the safety of our students and drivers we need you to help us with the following areas of concern:

Please cooperate by moving quickly and safely through the drive-thru at the front of the school

After your children have been dropped off, please exit the drive-thru

Please do not wait in your car for your children to go to their classroom

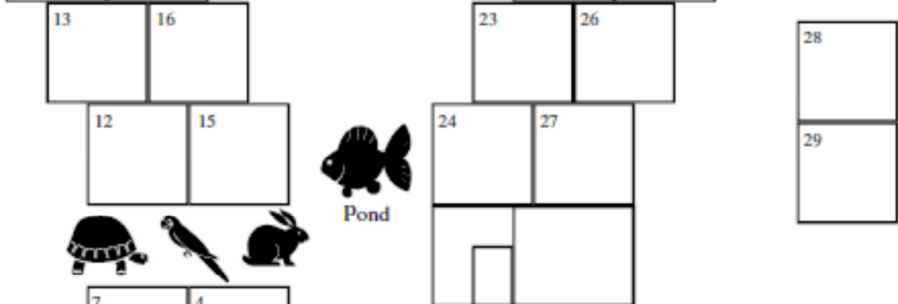

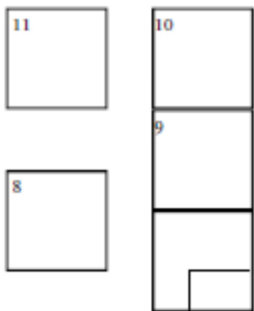

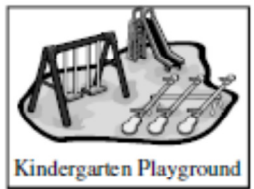

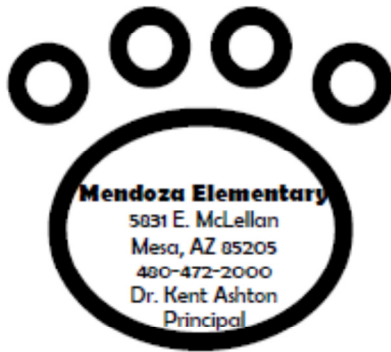

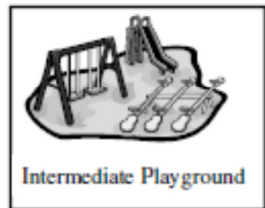

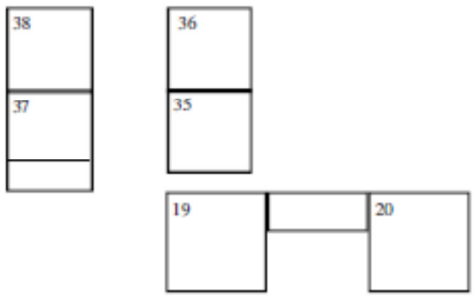

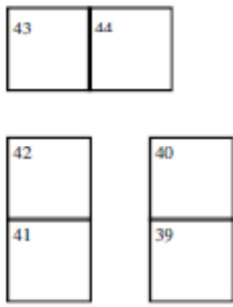

If you wish to see your children to their classrooms, please park your car in the marked parking areas or along the street

Please make sure your children have all their things before entering the drive-thru (backpack, lunch, lunch money, notes for teacher)

Please be considerate of other parents who are waiting to use the drive-thru

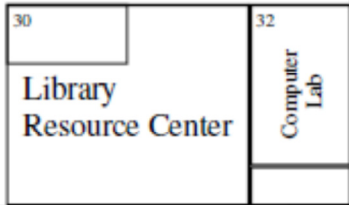

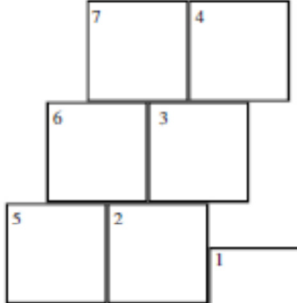

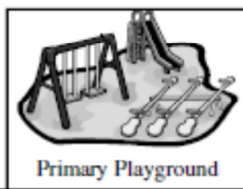

Follow the rules and use the Crosswalks, and expect your children to.

The west parking lot is for yellow school buses and staff vehicles only.
