Dear Friends of Toro Theatre Company:

One of the goals of the Toro Theatre Company is to provide the young people of Mountain View High School the opportunity of experience in quality theatre. We also strive to develop their social and creative abilities, sense of responsibility and artistic appreciation. The rising cost of producing our mainstage productions has now required us to ask that all participants of each production contribute a \$35 participation fee. This money will be used to offset the cost of production: costumes, sets, props, programs, publicity, etc.

We also want to offer you the opportunity to support our students through donations to our extracurricular activity (ECA) fund. These are donations into our Theatre ECA Account that are 100% tax-deductible! Individuals can donate up to \$200 (or \$400 per household) to the Theatre program here at Mountain View High School. We appreciate your support and help in keeping quality productions coming to our community!

Thank you,

The Toro Theatre Company Parent Boosters
