

## TCP MOBILE CLOCK INSTRUCTIONS

This is an important announcement for any users of the TimeClock Plus Mobile App “TimeClock Plus v7 MobileClock”. The “TimeClock Plus v7 MobileClock” mobile app will be discontinued **June 22, 2022** and will no longer be compatible with TCP.

To continue utilizing the mobile capabilities of TimeClock Plus, please replace “TimeClock Plus v7 MobileClock” with the newest TimeClock Plus mobile app “TCP MobileClock”. The newest mobile app is available in the Google Play Store and the Apple App Store. After downloading the new TCP MobileClock app, simply log into the app with your existing TimeClock Plus credentials.

**Customer ID = 132298**

**ID Number = YOUR EIN**

You must have Location Services on while using this app.

The “TimeClock Plus Mobile Manager” mobile app will also be discontinued **June 22, 2022** and will no longer be compatible with upcoming TimeClock Plus software. At this time, **there is no replacement for TimeClock Plus Mobile Manager.**
