

Please help support Poston Jr. High School's boutique styled clothing exchange where students can shop for gently used and new clothing and accessories using PAWS tickets (students receive these for showing "Paws-itive" behavior). Poston Outfitters acts as the front-end of a larger clothing bank for students. We are looking for things that junior high kids would be proud and excited to select. To support this new adventure we accept donations in the front office. So, if you were planning on sending clothing or accessories to a local donation spot, drop them off in our front office daily from 8am - 4:30pm.

### Wish list:
