I understand that Jr High Athletics will enforce an eligibility policy each season. Jr High Athletics requires a \$75 registration fee that will be due prior to the first athletic contest of the season. At a minimum, all students must be passing all classes at the progress report time. Students that are failing a class will sit out a minimum of one athletic contest. Students must provide the Athletic Director and coach proof that they have raised the failing grade to a passing grade to regain eligibility. Please speak with the Athletic Director for more information regarding the eligibility policy at your respective school.
