EARNING CREDIT

- Daily physical activity is essential. In the event a student has a chronic illness or injury that extends over a two week period of time, an incomplete may be given. When healthy, the student will have the opportunity to attend make-up sessions to regain the number of days missed.
- Literacy is an essential element of our school/department. Reading and writing practices will be ongoing.
- Each student is required to participate in physical fitness assessments. This, as well a three timed 1-mile runs will be graded assessments. If a student fails to complete the mile runs, an incomplete will be given as a semester grade and the student will need to make arrangements with their teacher to complete the requirement during the following semester.

MAKE-UP PROGRAM/ADVISORY

When an excused non-participation day occurs, the student must see his/her teacher about making the class up. A student has two weeks from the date in which the absence occurred to complete the make-up. After two weeks, the points cannot be regained. If a student is medically excused from activity for more than one week, special arrangements need to be made with your teacher.

TARDY POLICY

All students must be inside the physical education building before the tardy bell rings.

DRESSING OUT/PARTICIPATION

Students are required to wear the school-issued physical education uniforms (shirt and shorts) every day. Students will be given a grade daily for dressing out and participation. Students must wear shoes that tie that are appropriate for activity.

LOCKS & LOCKER ROOM

Students are responsible for his/her lock throughout the year. If a lock is lost, the student must purchase a lock at the bookstore. Students are responsible for locking up their belongings in their assigned locker. In the event that anything is missing or stolen, the Physical Education department is not responsible and will not replace those items. The locker room will be locked during class each day.
