Parent and students are responsible for understanding the following standards.

1. It is my responsibility to attend each day. **No more than 2 absences will be allowed to receive credit.** The more I attend and the more work I do, the better chance I have earning $\frac{1}{2}$ credit per course completed.
2. I understand if I am more than 20 minutes late to a class, I will receive one absence. Pass/Fail or audit options will not be exercised during in-person summer school.
3. I understand traditional credit recovery (paper/pencil) and Gradpoint Prescriptive do not meet scholastic diploma, academic excellence seal, university requirements, or NCAA requirements.
4. I understand that this program is designed for “credit recovery” and that I must have taken the class and failed in order to qualify.
