Level III

The Mesa Public Schools World Languages Standards Implementation documents utilize the following resources:

- **ADE** - Arizona's World and Native Language Standards 2015
- **American Council on the Teaching of Foreign Languages for Language Learners**- Performance Descriptors for Language Learners 2012 Edition-Second Printing 2015
- **NCSSFL-ACTFL**- Can-Do Statements Progress Indicators for Language Learners

These documents are to assist in preparing students with the ability to interact confidently by developing the language performance they will need for the 21st Century and a globalized economy. Arizona's World and Native Language Standards were designed to describe language performance using Performance Descriptors set by the American Council on The Teaching of Foreign Languages (ACTFL) for Language Learners . The ACTFL Performance Descriptors for Language Learners describe how language learners use language across three ranges of performance (novice, intermediate, and advanced), in three modes of communication (interpersonal, interpretive, and presentational), and according to certain language features.

Language Level III

A French Level III language learner will demonstrate the overall features of the Intermediate Range most of the time or all of the time. In a proficiency context, a Level III language user who meets the criteria for the Intermediate level, but is not able to do so for some content areas or tasks all of the time in spontaneous, unrehearsed language use, will be rated Intermediate Low.
